

LXXV International Conference «NUCLEUS – 2025. Nuclear physics, elementary particle physics and nuclear technologies»

Tuesday 1 July 2025 - Sunday 6 July 2025

St. Petersburg State University

Scientific Programme

Section 1. Experimental and theoretical studies of nuclei.

Section 2. Experimental and theoretical studies of nuclear reactions.

Section 3. Modern methods and technologies of nuclear physics.

Section 4. Relativistic nuclear physics, high-energy and elementary particle physics.

Section 5. Physics of neutrino and nuclear astrophysics.

Section 6. Neutron and synchrotron research and infrastructure for its realization.

Section 7. Nuclear medicine.

Section 8. Nuclear physics methods in application to the study of cultural heritage.
